LEICA BLK360 IMAGING LASER SCANNER

The BLK360 captures the world around you with full-color panoramic images overlaid on a high accuracy point cloud. The one-button Leica BLK360 is not only the smallest and lightest of its kind, but also offers a simple user experience. Anyone who can operate an iPad can now capture the world around them with high resolution 3D panoramic images.

LEICA BLK360 IMAGING LASER SCANNER

The Leica BLK360 defines a new category: the imaging laser scanner. It is so small and light that it fits in a typical messenger bag and can be carried almost anywhere. It features a 60 meter measurement range for full dome scans. A complete full-dome laser scan, 3D panoramic image capture and transfer to the iPad Pro takes only 3 minutes.
